Search Tool for the Digital Native Student

The screenshot shows the Destiny Quest search interface. At the top, the search bar contains the word "weather" and a "Go!" button. Below the search bar, there are navigation icons and a "Narrow Your Search" section with filters for Author, Subject, Accelerated, Reading Count, Lexile, Series, Awards, Publication Year, Language, and Format. The main area displays a grid of book covers. A callout box points to a book cover with the text: "Mouse over a title for more information." Another callout box points to a "My List" button with the text: "Drag and drop to save titles into 'My List.'" The search results are sorted by Relevance and show results 1-10 of 168.

The screenshot shows the title details page for the book "Weather: FAQ, frequently asked questions" by Valerie Wyatt. The page includes a star rating of 4.0 (4 reviews) and a description: "Provides general information on the weather and includes experiments children can do." There is a "Quiz Info" section showing an Accelerated Reader score of 5.7 (1.0 pts.). A "You may also like" section lists other books: "The universe", "The magic school bus inside a hurricane", "El Niño", and "The paper airplane book". A callout box on the left says: "Destiny Quest displays title details, which can include any cataloged digital media, educator-approved websites, eBooks and other resources." The page also features a "Visual Shelf Browse" section at the bottom.

The screenshot shows the "Visual Shelf Browse" feature, which displays a horizontal carousel of related book covers. The carousel includes the same book "Weather: FAQ, frequently asked questions" and other related titles. A callout box on the left says: "Browse the shelf without budging an inch. Click on the scrolling carousel to see related titles to the left or right." The interface includes "PREV" and "NEXT" buttons for navigating the carousel.
